CONFERENCE CALL ADVISORY: FORWARD-LOOKING STATEMENTS

The conference call may contain forward-looking statements. When used in the call, words such as "anticipate", "expect", "project", and similar expressions are intended to identify such forward-looking statements. Although the Corporation believes that these statements are based on information and assumptions which are current, reasonable and complete, these statements are necessarily subject to a variety of risks and uncertainties pertaining to operating performance, regulatory parameters, economic conditions and commodity prices. While Addax Petroleum makes these forward looking statements in good faith, should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary significantly from those expected.

READER ADVISORY: FORWARD-LOOKING STATEMENTS

This press release includes certain forward-looking statements. These statements are based on current expectations that involve a number of risks and uncertainties, which could cause actual results to differ from those anticipated. These risks include, but are not limited to, risks associated with the oil and gas industry (e.g., operational risks in development; exploration and production; delays or changes in plans with respect to exploration and development projects or capital expenditures; uncertainties of reserve estimates; the uncertainty of estimates and projections in relation to production; costs and expenses and health, safety and environmental risks), the risks of commodity price and foreign exchange rate fluctuations, the uncertainty associated with negotiating with foreign governments and risks associated with international activity. Due to the risks, uncertainties and assumptions inherent in forward-looking statements prospective investors in Addax Petroleum's securities should not place undue reliance on forward-looking statements.
